Assistant Professor/Workforce Development Specialist
Dixie State University
225 South 700 East
St. George, UT 84770

Dear Dr. Bryant:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that Dixie State University, located in St. George, Utah, has been accredited continuously by NWCCU since receiving initial accreditation in 1945. The Northwest Commission on Colleges and Universities accredits Dixie State University at the associate and baccalaureate degree levels. The Commission most recently reaffirmed the accreditation of the University in fall 2012 on the basis of a Comprehensive evaluation. The University's next comprehensive evaluation is scheduled for fall 2020.

The institutional accreditation of Dixie State University includes all its educational offerings.

I hope this information is helpful. Please contact me if you have questions regarding the University's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

A handwritten signature in blue ink that reads "Elsa J. Gossett".
